Message

I am glad to learn that Prantakatha, a social Organisation, is observing Patient Safety Day on 17<sup>th</sup> September, 2020 on the theme "Safety of Health Care Workers".

During Pandemic Covid our health warriors, at great personal risk, have rendered exemplary service.

I am sure that the Organisation will continue to extend health care services to the community.

I convey my felicitations to all the members associated with this Organisation for carrying out such endeavours and wish the "Patient Safety Day" all success.
